

PRINT TECHNOLOGY WORLD CHAMPIONSHIPS 2025

Note: In accordance with the principle of equality, all personal and functional designations, regardless of linguistic form, apply to all genders.

Guidelines Print Technology World Championship 2025

ORGANIZER

Heidelberger Druckmaschinen AG organizes and hosts the World Professional Championship.

REGISTRATION / SELECTION

Those wishing to participate in the World Professional Championship can register using the registration form. Please pay attention to the deadline. After the registration deadline, the organizer will review the submitted applications and decide on admission.

THE FOLLOWING MUST BE SUBMITTED WITH THE REGISTRATION:

- Registration form
- Copy of passport

DATES AND COMPETITION INFORMATION

The dates will be announced individually.

The competition generally takes place every two years, in the year following the WorldSkills.

Participation in the medal ceremony is mandatory for all participants.

COMPETITION TASKS

The tasks are limited to the technical and craft vocational field (no written work). The following skills are emphasized:

- Good professional knowledge and technical understanding
- Endurance and perseverance

EXPERTS

For the task definition and evaluation, a separate expert jury is responsible. Each nation also provides one expert. Interpreters are only allowed with prior consultation and must not have worked or trained in any graphic profession. Candidates and experts must be able to communicate in English. The organizer may involve additional specialists if necessary. The evaluation of the work is based on the WorldSkills system. The legal process is described in the regulations.

COSTS

No registration fee will be charged. Participants are responsible for organizing their travel and meals.

Accommodation is the responsibility of the participants.
